1. Carl advised me that [redacted] was told to prepare ^{an} addendum to the RS-6 Instr. Book (By one of us ² [redacted], or me) covering the RS-6 Key Click Change.

2. Carl stated that they were getting info on cost and delivery of Stoddart Egt for field intensity tests.

3. I asked for info on adaptor situation

CONCLUSIONS or AGREEMENTS:

1. Told Carl that I had not informed Bill to prepare Addendum and that, in accordance with previous decisions, we would not issue one other than modification instructions. He will advise Bill accordingly.

2. Told Carl of new spec but asked him to continue obtaining info and advise us.

3. Carl states that he has not received adaptor order.

Subsequent to this phone call I contacted [redacted] who says he will ^{phone order} today.
